The diagram shows a schematic layout of a microstimulation device on a PCB. The layout is centered on a grid with columns 1-5 and rows A-D. It features two sets of electrodes: a central pair labeled 'R' and 'D' with a 'CS' label below them, and a peripheral pair labeled 'D' and 'D' with a 'CS' label below them. A large rectangular area is outlined in the center, and a smaller rectangular area is outlined in the bottom right corner.
